Summary

- **JMRC is unique – The Army's only dual-missioned CTC**
- **The US Army, USAREUR, and the JMRC is transforming rapidly and there is no "endstate"**
- **HTA is an enduring CTC for the US Army training from the individual soldier to the BCT**
- **Due to our location in Europe, the JMRC has expanded training to include Joint and <u>Coalition operations in every Rotation and training event</u>**
- **The Operations Group is now a deployable organization and will conduct Exportable Training Capability (ETC) rotations in Europe and in CONUS**

Our Mindset
